Defendants.)	

MEMORANDUM AND ORDER

This matter is before the Court upon the motion of plaintiff (registration no. 198045), an inmate at Jefferson City Correctional Center, for leave to commence this action without payment of the required filing fee [Doc. #2]. For the reasons stated below, the Court finds that plaintiff does not have sufficient funds to pay the entire filing fee and will assess an initial partial filing fee of \$10.75. See 28 U.S.C. § 1915(b)(1). Furthermore, based upon a review of the complaint, the Court finds that the complaint should be dismissed pursuant to 28 U.S.C. § 1915(e)(2)(B).

28 U.S.C. § 1915(b)(1)

Pursuant to 28 U.S.C. § 1915(b)(1), a prisoner bringing a civil action in forma pauperis is required to pay the full amount of the filing fee. If the prisoner has insufficient funds in his or her prison account to pay the entire fee, the Court must assess and, when funds exist, collect an initial partial filing fee of 20 percent of the

greater of (1) the average monthly deposits in the prisoner's account, or (2) the average monthly balance in the prisoner's account for the prior six-month period. After payment of the initial partial filing fee, the prisoner is required to make monthly payments of 20 percent of the preceding month's income credited to the prisoner's account. 28 U.S.C. § 1915(b)(2). The agency having custody of the prisoner will forward these monthly payments to the Clerk of Court each time the amount in the prisoner's account exceeds \$10, until the filing fee is fully paid. Id.

Plaintiff has submitted an affidavit and a certified copy of his prison account statement for the six-month period immediately preceding the submission of his complaint. A review of plaintiff's account indicates an average monthly deposit of \$53.74, and an average monthly balance of \$53.10. Plaintiff has insufficient funds to pay the entire filing fee. Accordingly, the Court will assess an initial partial filing fee of \$10.75, which is 20 percent of plaintiff's average monthly deposit.

28 U.S.C. § 1915(e)

Pursuant to 28 U.S.C. § 1915(e)(2)(B), the Court may dismiss a complaint filed in forma pauperis if the action is frivolous, malicious, fails to state a claim upon which relief can be granted, or seeks monetary relief against a defendant who is immune from such relief. An action is frivolous if "it lacks an arguable basis in either law or in fact." Neitzke v. Williams, 490 U.S. 319, 328 (1989). An action fails to

state a claim upon which relief can be granted if it does not plead “enough facts to state a claim to relief that is plausible on its face.” Bell Atlantic Corp. v. Twombly, 127 S. Ct. 1955, 1974 (2007).

In reviewing a pro se complaint under § 1915(e)(2)(B), the Court must give the complaint the benefit of a liberal construction. Haines v. Kerner, 404 U.S. 519, 520 (1972). The Court must also weigh all factual allegations in favor of the plaintiff, unless the facts alleged are clearly baseless. Denton v. Hernandez, 504 U.S. 25, 32-33 (1992); Scheuer v. Rhodes, 416 U.S. 232, 236 (1974).

The Complaint

Plaintiff brings this action pursuant to 42 U.S.C. § 1983 alleging violations of his civil rights. Named as defendants are: Stephen Juergens (Asst. Prosecuting Attorney); Terry Lynn Brown (Judge); Mark Richardson (Judge); and David Dolan (Judge). Plaintiff alleges, in a conclusory manner, that the aforementioned defendants denied him adequate due process in his state criminal proceedings.

Plaintiff’s allegations are patently frivolous as they contain nothing more than conclusory statements and fail to allege the specific events he believes defendants engaged in to deprive him of his federally protected rights. See, e.g., Madewell v. Roberts, 909 F.2d 1203, 1208 (8th Cir. 1990) (“Liability under § 1983 requires a causal link to, and direct responsibility for, the alleged deprivation of rights.”); see

also Martin v. Sargent, 780 F.2d 1334, 1338 (8th Cir. 1985) (claim not cognizable under § 1983 where plaintiff fails to allege defendant was personally involved in or directly responsible for incidents that injured plaintiff); Boyd v. Knox, 47 F.3d 966, 968 (8th Cir. 1995) (respondeat superior theory inapplicable in § 1983 suits).

Moreover, plaintiff's complaint is legally frivolous as to defendant Juergens because, where "the prosecutor is acting as advocate for the state in a criminal prosecution, [] the prosecutor is entitled to absolute immunity." Brodnicki v. City of Omaha, 75 F.3d 1261, 1266 (8th Cir. 1996). Additionally, plaintiff's complaint is legally frivolous as to Judges Brown, Richardson and Dolan because they are "entitled to absolute immunity for all judicial actions that are not 'taken in a complete absence of all jurisdiction.'" Penn v. United States, 335 F.3d 786, 789 (8th Cir. 2003) quoting Mireles v. Waco, 502 U.S. 9, 11-12 (1991).

Accordingly,

IT IS HEREBY ORDERED that plaintiff's motion to proceed in forma pauperis [Doc. #2] is **GRANTED**.

IT IS FURTHER ORDERED that the plaintiff shall pay an initial filing fee of \$10.75 within thirty (30) days of the date of this Order. Plaintiff is instructed to make his remittance payable to "Clerk, United States District Court," and to include

upon it: (1) his name; (2) his prison registration number; (3) the case number; and (4) that the remittance is for an original proceeding.

IT IS FURTHER ORDERED that the Clerk shall not issue process or cause process to issue upon the complaint because the complaint is legally frivolous or fails to state a claim upon which relief can be granted, or both.

An Order of Dismissal will accompany this Memorandum and Order.

Dated this 30th day of March, 2009.

RODNEY W. SIPPEL
UNITED STATES DISTRICT JUDGE
